

Letter of Recommendation

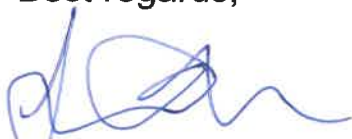

To:
inBet Sp. z. o. o.

We collaborated with inBet when we needed a delivery of filigree slabs. At the first contact with inBet we were well received and this continued throughout the project. With quick and helpful answers for all our questions.

The filigree slabs that was delivered kept a high standard. The times were held both on requested drawings and transports. On the workplace the assembly flowed well and the drivers were helpful in leaving the delivery earlier than agreed.

For our part, this was the first time we used a company outside of Sweden. We can warmly recommend a collaboration with inBet.

Best regards,
